

## Transfer Station Fee Schedule

The Town of Presque Isle has adopted a fee schedule for certain items deposited at the Transfer Station under Sub-Chapter 108 of the Presque Isle Code of Ordinances. This collection program allows Presque Isle residents to dispose of certain items at the Transfer Station instead of hauling them to the Vilas County Landfill on Highway G.

This fee schedule takes effect May 1, 2008 and will be reviewed by the Town Board annually.

<b>Item</b>	<b>Fee</b>
Refrigerator	\$35.00
Air Conditioner	\$25.00
Dehumidifier	\$15.00
Microwave Oven	\$15.00
Furniture	\$20.00
Carpeting	\$20.00
Car	\$50.00
Tires, Off Rim	\$10.00
Building Materials, full barrel	\$4.00
Building Materials, half barrel	\$2.00

**NOTE** Fees for materials larger than the barrels will be determined by the Transfer Station attendant on a proportionate basis

Fees must be paid at the Transfer Station before items will be accepted. The attendant will provide a receipt of payment. Checks must be made out to Town of Presque Isle. These fees are higher than those charged at the county landfill, but the difference in price to residents is offset by convenience and cost of transportation.
